Patient Signature Date **INSURANCE POLICY:** Patients with private healthcare insurance: The private healthcare insurance presented at the time of your visit will be billed for your treatment, HMO patients will need to start the process of securing a referral. Every effort will be made to ensure that claims are promptly and correctly submitted to your insurance company. Your insurance company has 30 days after receiving a correctly filed claim to process, pay and/or give notice as to why the claim has not been paid. After that time the remaining balance will be your responsibility. If you are not satisfied with the payment made by your insurance company, contact them directly at the phone number listed on your insurance card. If you chose to appeal to your insurance company in writing for additional payment please provide Daniel S. Tresley, M.D. with a copy of that appeal for your file. Patients with Worker's Compensation or Automobile Accident Insurance: If your injury was received as a result of a motor vehicle accident or a liability and you do have private healthcare insurance, typically your private healthcare insurance will not make payments on your medical claims without a written denial from your motor vehicle insurance/liability insurance. It is very important that all pertinent information be given at the time of your visit regarding the motor vehicle insurance/liability insurance, including claim number, agent information, claim billing address, accident report, etc. Name of Insurance Company: ____ Agent/Representative: Phone Number: Phone Number: _____State:_____ Zip: ____ Address: _ ___ City: ___ CASE/CLAIM #: ___ ___ Date of Injury: _____ <u>Patients without private healthcare insurance – Self Pay:</u> If not private healthcare insurance is presented at the time of your visits, full payment or an approved payment plan is expected at the time of service. CREDIT CARD PAYMENT SYSTEM:

In order to facilitate our billing process, Daniel S. Tresley, MD has implemented a Credit Card payment system. Our goal is to assist our patients in eliminating past due patient accounts.

Your credit card information will be held *securely on file until your Insurance Company has paid your claim*. Once your "Explanation of Benefits" has been filed, any remaining balance owed by you "patient responsibility", will be charged to the credit /debit card we have on file. A copy or receipt of those charges will then be mailed to you.

The advantage to you is that you will no longer need to write out checks and send payments in mail. You will also not have to worry about any past due accounts.

This in no way will compromise your ability to dispute charges or question your insurance company's determination of payment. All credit card contracts give card holders the right to challenge any charges against an account.
